"It is through seeing and hearing, that one's personality is molded and developed"
Maria Montessori

"Oh the weather outside is frightful.."

Well, maybe it was to some people, but I was pretty tickled to see some snow. Yes, the driving was awful then got to be a mess, slippery and a little brown in some spots. Still, the snow was beautiful when it first arrived and I'm sure the children had a blast on their "snow days".

Here in the classroom, the children are busy, busy, busy! Lots of great work is being done in spite of the excitement of the upcoming holiday.

La..la..la

Hello winter!!

Our concert this year will be held in the church "Sanctuary" due to the sorry state of our gym. The children have many songs to share with you and are getting quite excited about the whole deal. We will be having 2 concerts, one in the morning and one in the afternoon. All the children, including Tuesday/Thursday

children are part of the concert. The morning concert will begin at 10:00 am. and the children should arrive at 9:45 to get settled and ready to perform. The afternoon concert will begin at 1:00 pm and the children should arrive at 12:45. Please note that there are no regular school classes that day in the preschool. The all day kindergarten children should please choose either the morning concert or the afternoon concert. The elementary children arrive at their regular time and will leave at the conclusion of the afternoon concert, approximately 2:00 pm. And... as usual, the sign-up sheet for the after concert goodies is posted on the bulletin board. Also, please note that on the sign-up sheet for food, there is a couple of new spots for volunteer helpers for coffee making, clean up and so on.

a, b, c, d,

As some of you may have noticed, this year we are doing 2 'sounds of the week', each week. The children are

working really hard learning the new sounds and we have posted them outside for your information.

toys, toys, toys

Miss Destin and I have noticed that more and more of the children are bringing 'toys' to the classroom. If at all possible, please keep them home or in the car. Educational toys or books are always welcome, however helicopters that make lots of sounds and remote control cars are very distracting. Thank you in advance.

Thank you!!!

A big thank you goes out to the parents who have helped with Bingo, cooking with the children and to Braiden's grandma, for her lovely picture collage of the children making fruit turnovers. (and to Teena for the great chicken soup!)

We will be posting a new snack list for the new year later this week.

Have a wonderful, safe and happy holiday season!
