February 2007

*"It is through seeing and hearing, that one's personality is molded and developed"*  
Maria Montessori

## *"Well, the New Year is upon us" Happy 2007!!!!*

Lots of things to talk about here. Firstly, we would like to thank all of the parents who brought food to the "Hello Winter" concert and helped with set up and clean up. It was very much appreciated! The concert was certainly different this year, being in the Sanctuary and without creative movement, but overall, the children enjoyed themselves and judging by the audience's reaction, so did they.

### **Hooray!!!!**

creative movement is back with Miss Susan (Miss Rachel's mom). The children seem to be taking it all in stride and enjoying it.

We have a special day coming up.... Valentine's Day. We will be sending home a class list with just the children's first

names on it. Please help the educational process by not capitalizing all the letters of the children's names. It is natural for adults to do this but it confuses the kids!!!! We teach the children lower case letters except the first letter of their name. Thanks!!!!

## **Books, books, books.**

Thank you to all parents who support the school in ordering books from Scholastic. Not only is this a great way to increase your own home library, but the school benefits as well. Please take the price in the MIDDLE column of the order form. This is the one that pertains to B.C. residents. Thanks and keep ordering!

## **Pro-D Day**

Just a small reminder that the school will be closed on Friday, February 23 for a Professional Development Day. We teachers do need to develop professionally you know.

## **Parking...**

A short time ago, we sent home a copy of the letter sent to the church regarding the parking situation outside. The high number of vehicles combined with the snowy weather we had finally prompted a local citizen to complain. The church is responding to the Municipality about this, however in the meantime, please DO NOT park directly in front of the fire hydrant or immediately beside the stop sign. These are ILLEGAL actions and will prompt a ticket should a bi-law officer notice.

## ***The new classroom***

As some of you may have noticed, the work has resumed on the new classroom to be located in the north end of the gym. There's been lots of banging and a couple of new holes in the wall, but.... it will be worth it in the end. It sure will be nice to have our gym back. There are some days when the children really need to run. And run. And run.

**Re-registration packages will go home soon.**
