May 2007

"What we know as 'control of error' is any kind of indication which tells up whether we are going towards our goal, or away from it." Maria Montessori

Ahhhh,

the weather is getting warmer, the children are getting restless, the teachers are getting tired; it must mean it's getting close to the end of the year!

First, some important information for you all. Sadly, this year we will not be holding a Mother's Day Tea. The gym is close to being finished but there is no guarantee it will be completely finished and ready for our use. However, do not despair. All of the children are working hard on a wonderful Mother's Day surprise!

Pro-D Day coming up

FRIDAY, MAY 11, will be a Professional Development day here at the school. There will be **NO SCHOOL** on that day. This is for both the Preschool and the Elementary classrooms. This day is needed for the teachers to regroup, refresh, and prepare for the final stretch of this school year.

And What a Year!!!

I am so pleased to be able to announce that the school is pretty much full for next year! Miss Donna and Miss Bonnie have worked very hard in the Elementary Classroom, providing an exceptional educational opportunity for those children lucky enough to attend in that class. The preschool/kindergarten classroom is a happy, safe, learning space and the children are bursting with new knowledge and enthusiasm. We, the teachers, say thank you to all you parents for allowing us the privilege of working with your child. We are already looking forward to seeing some of you next year and are already missing those we know are leaving.

Welcome Jandi and Heather!!

Some of you may have noticed a few new faces around the place. Miss Jandi and Miss Heather are working a couple of days per week in the preschool classroom and assisting with lunchtime supervision. The extra eyes are very welcome and the

children have welcomed them with open arms.

Play, play, play...

Some members of the Church have expressed a small concern for the flowers and shrubs in front of the Church. Please, please, please, try and have the children NOT go through the bushes or into the flower beds. We love to see them run and play and most certainly will never stop that, but the plants are off limits. Thanks in advance. And of course, speaking of thanks..

Thanks a bunch..

to all our parents who contribute to the preschool snack. Teena and Ann for "cooking with the kids", Brian (Dalton's Grandpa) for Bingo, Teena for May bingo and the McNabb family for our Candle fundraiser.

Notices will soon be posted for our June fieldtrip to the Aquarium (yahoo!), our June yearend picnic.

Miss Kristina's Camp 'Too Much Fun' will be filling up soon so sign up early!
