"It is through seeing and hearing, that one's personality is molded and developed"

Maria Montessori

A brand new month and things are starting to come together in the classroom. Many of the children are doing some really great work and the others are realizing that they too can do some really great work.

We had a wonderful turnout for the AGM with a new Board voted in.

Welcome to....

Kristine Lockyer - President
Karen Fruitman - Vice-President

PUMPKIN PATCH FIELD TRIP

The Pumpkin Patch was a huge success as the weather stayed cool but dry and all the children came home with wonderful pumpkins. We even had some for the classroom and had many little hands and fingers sorting seeds from the pulp (very messy), which Miss Destin took home and roasted! They were then served at the snack table, much to the delight of the children who tried them.

REMINDERS...

There are still some families who have not handed in their emergency preparedness bags. These are important, even though we hope we never have to use them. So.....please.....if you have not handed it in, please do so. Instructions on what you need and spare forms are available at the school.

For those families who received a longer version of the registration form, could you please send it back asap so we can make sure your file is up to date.

Also please don't forget to get your **Purdy's Chocolate** order in by Tuesday, November 14th. It's a great way to buy some 'drop by' Christmas gifts and the prices are very good.

Bring your smile!

School pictures are this Friday, November 10 for both morning and afternoon classes. The children who attend on Tuesday and Thursday only are to arrive at 9:00 am and 12:30 pm for their pictures to be taken both individually and with the class and then they are dismissed.

Parent / Teacher

Interviews coming up!

As per our calendar, the parent/teacher interviews will be held on November 20 and 21. A sign up sheet will be posted outside for families to book a time. Should you need childcare, please try and arrange it with another parent that you can trade off with.

Since we have so many families, each family is allotted a 15 minute time slot. Please try to be on time and stay for only the 15 minutes. Thank you so much.

Scholastic Orders

We are anxiously awaiting our November order for Scholastic and they have already sent us the December catalogues. We will be sending them home this week so we can put our order in early and ensure delivery before Christmas. Since many parents are giving these books as part of Christmas we will be sending both November and December orders home in plastic bags for disguise.

And thank you

for all the great interest in the school from our parent body.
