Second child enrolled ***10% discount on full tuition***

Third child enrolled ***15% discount on full tuition***

Fourth & subsequent child enrolled ***20% discount on full tuition***

Grace period: The school provides a grace period of four calendar days after the stated due date.

Tuition payments in arrears for more than ninety (90) days may result in a student’s suspension from classes and/or withholding of student records.

Meadow Montessori School Society reserves the right to withdraw students from the program at any time if any tuition remains outstanding.

Parents who receive subsidy are responsible for paying their portion of the fees and ensuring their child’s fees and subsidy documentation is current.

Good financial standing: All tuition and fees must be arranged prior to the start of the school year to be considered in good financial standing. Good financial standing is required for a child to start a new school year or for school records to be released to other schools.

Continuing/Re-enrollment: The re-enrollment fee must accompany the re-enrollment contract. A contract will not be accepted until payment is made. February 1 is the deadline to retain placement.

Receipts/Statements: Please submit your request in writing—specifying exactly what information should be included. The Office will prepare these statements once a month so please consider this when timing your request.

The school understands that families may experience financial difficulties and we are committed to working with families to make arrangements for payment. Please contact the Head of School with regards to financial issues.
