Insufficient Funds Fee (NSF): (one given in grace each year)	\$ 25

Sibling Discounts

We recognize the impact that the cost of an independent school education can have on families with multiple children. To assist families we have established a tuition discount for families with multiple siblings. Discounts are subject to change once per year.

<i>Second child enrolled</i>	<i>5% discount on full tuition</i>
<i>Third child enrolled</i>	<i>8% discount on full tuition</i>
<i>Fourth & subsequent child enrolled</i>	<i>10% discount on full tuition</i>

All school supplies are provided and included in school fees.

Field trips, uniforms, and before or after school care are not included in tuition fees.

Good financial standing: All tuition and fees must be arranged prior to the start of the school year to be considered in good financial standing.

Tuition payments in arrears for more than ninety (90) days may result in a student's suspension from classes. Meadow Montessori School Society reserves the right to withdraw students from the program at any time if any tuition remains outstanding.

Continuing/Re-enrollment: The re-enrollment fee must accompany the re-enrollment contract. A contract will not be accepted until payment is made. January 31 is the deadline to retain placement for continuing students.

Receipts/Statements: Please submit your request in writing—specifying exactly what information should be included. The Office will prepare these statements only once a month so please consider this when timing your request.

The school understands that families may experience financial difficulties and we are committed to working with families to plan for payment or adjust as necessary. We support stability for children despite monetary difficulties. Please contact the Executive Director with regards to financial issues.
